PUBLIC NOTICE - 17/2021

DIN: 20210868MG0000223093

Subject: Implementation of RMS for processing of Duty Drawback Claims - reg....

Attention of all Importers/Exporters, Custom Brokers and other stakeholders is invited to Advisory No. 20/2021 dated 26.07.2021 issued by D.G.Systems & Data Management, CBIC, New Delhi, on the above subject.

2. Kind reference is invited to Board's Circular No. 15/2021-Customs dated 15.07.2021 enabling the RMS based processing of drawback claims. Accordingly, the risk-based processing of the shipping bill claims of duty drawback under Section 75 of Customs Act, 1962 is enabled after the corresponding EGMs have been filed.

3. Under the new mechanism of risk-based processing of drawback claims for shipping bills, the shipping bills will be routed to RMS post successful filing of EGM. Based on RMS risk-based processing, the SBs would either be facilitated for drawback or be routed to the proper officer of Customs for verification and processing. For the facilitated claims, the shipping bill would automatically come to Scroll-in queue after successful EGM filing for generation of scroll. For the non- facilitated cases, the SBs would be routed to the proper officer for processing the drawback claims as being done presently. These non-facilitated SBs will also have RMS instructions for verifications related to Drawback processing.

4. Reports have been made available in the Dbk_AC and Dbk_SUP roles listing the SBs which were facilitated by RMS for Drawback scroll. The same will also be indicated in the temporary Dbk scroll with a special flag. The already available option of recalling the SB from scroll-in queue can be exercised in case further

scrutiny is required to be done for any facilitated SB as identified from the temporary scroll.

5. Further, as stipulated in the aforesaid Board Circular, certain documents mandated to be accompanied with the drawback claim as per Rule 14 of the Customs and Excise Duties Drawback Rules 2017 can be uploaded on e-Sanchit with corresponding document codes at the time of filing of shipping bill. Document codes for some of the relevant documents for uploading on e-Sanchit, as per applicability, are given in the **Annexure A**.

6. The above-mentioned changes have come into effect in the Customs EDI System with effect from 26.07.2021.

7. Difficulties, if any, faced in implementation of this Public Notice may be brought to the notice of the Additional Commissioner through email at (anand1.kumar@gov.in)

8. This Public Notice should be considered as Standing Order for the purpose of officers & staff of the department.
