Attention of the Importers, Exporters, Customs Brokers and all other stakeholders, is drawn to Section 61 of the Indian Customs Act, 1962, which provides for waiver of interest on Ex-Bond Bills of Entry filed for clearing the goods for home consumption from a Section 65 Warehouse. In consonance with the same, following changes have been made in ICES which will come into effect from 21.9.2020.

1. IEC – Warehousing Mapping: For identifying the Warehouses which have been licensed for manufacturing activity under the MOOWR, an option has been given under the ACB i.e. AC (Bonds) role in IEC-Warehouse Mapping menu in order to enter the IEC and Warehouse Code for the purpose of mapping in the System once the license has been granted by the Principal Commissioner or Commissioner of Customs. This mapping will be used to validate the Bills of Entry filed with Sec 65 declaration.

2. Changes in the declaration of Ex-Bond Bill of Entry: An updated BE message format has been uploaded on ICEGATE website (https://icegate.gov.in/msg_guideline.html). Changes have been made in the BE_ITEM_SW_CTRL table of the BE. Annexure 1 gives the field level details of
