STANDING ORDER - 03/2021

Subject: Expediting clearance of Bills of Entry

Board has requested assessing officers to note that there is considerable number of Bills of Entry pending for assessment on the screens of VAO/VDC in the FAGs at the end of every day. This can be checked by the Zonal Heads & NAC Convenors. Board has pointed out that a fundamental work ethic in Customs has been that end of day assessment pendency is brought to zero by each officer. This will assist the Zone to better achieve its target in terms of Bills of Entry assessed. It will also shave off a substantial portion of dwell time associated with all such Bills of Entry remaining unattended overnight or over weekends. While the Deputy/Assistant Commissioners dealing with assessment should ensure that pendency is nil at the end of the day, the Joint Commissioners having supervisory charge of a Customs formation should also monitor this pendency closely.

This issues with the approval of Commissioner of Customs, Goa.
